March 27, 2020

Dear YES Prep Families & Community,

We hope this message finds you well under the ongoing circumstances. We know these are challenging times but please know YES Prep is still here and eager to support you and our students. We have a few updates and reminders for you. Thank you for reading this message in its entirety for important details.

### **Keep YES Prep Learning**

First, we are extremely excited to officially launch our virtual distance learning program, “Keep YES Prep Learning,” next Monday, March 30, 2020. This program is required for all YES Prep students. We know our families are ready to get started! Click [here](#) to read the guide so you are ready for Monday.

### **Student Meals**

Starting the week of March 30, we will be serving meals on Mondays and Thursdays from 11 a.m. to 1 p.m., and families will receive meals for multiple days. Please check your campus social media sites for more details as well as our webpage [yesprep.org/covid19/meals](https://www.yesprep.org/covid19/meals).

A friendly reminder: Please avoid the distribution sites if you are feeling any symptoms of illness and/or have been in contact with someone who is exhibiting symptoms. The health and safety of our students, families, and staff is always our top priority.

Lastly, a reminder that YES Prep is currently closed through April 10. Please continue to check the YES Prep website and social media for updates. You can expect our next update for families on Friday, April 3 at the latest. We thank you again for your continued patience and cooperation.
