FROM THE NURSE

Medication The weather is changing! Due to weather changes, students may potentially experience colds and allergies. Guardians, please remember students are **not permitted** to have medication in their back-packs or lockers. If your student needs to take medication, it must be brought to the front office and a medical consent form will need to be completed by the parent/guardian before we can administer. This notice is for all kinds of medication, including over the counter medications such as Advil, Aleve, cough drops, etc. If you have any questions, please reach out to Ms. Garza.

ATTENDANCE

Attendance

Students are expected to be at school every day, unless he or she has received permission to be absent or has an excused absence. It is the duty of the legal guardian of the student to monitor the student's school attendance and require the student to attend school. High School students become endanger of losing credit if they miss too many days. Attendance is taken in every class period everyday. If you know your child will be absent, please call the front office at 713-967-8699. Always turn in your absent notes to the front office the next day.

SCHOOL PARKING

Parking

We now have designated visitor parking in the front. Please make sure you are parking in the designated areas. Approved student drivers will be at the far end of the parking lot. We are cracking down on students who drive to school without the proper documentation (insurance, drivers license, and fee pmt) . Cars that do not have the proper North Forest parking tag will receive a warning sticker on their car. If they park again they run the risk of being towed. We want to make sure students are safe and that students that drive to school are abiding all the laws.
